TAO publishes an **un-titled** list of members and their addresses and telephone numbers for the convenience of the membership. May we list yours? _____

Membership is limited to those recommended and approved by secret vote of the Membership Committee. All applications for membership in Tulsa Anime Organization will be processed and voted upon within 30 days after the first general membership meeting following the receipt of the application for membership. You will be notified by the Membership Chairperson following the vote.

The Membership Committee takes their voting privileges seriously and with the spirit of the Club in mind. Their responsibility is to vote for the benefit of the fraternity we belong to and not with any personal prejudices or with any thoughts of discrimination towards potential members. The philosophy of Tulsa Anime Organization is that persons will not be denied membership unless they are known to be a negative influence to the group. Applicants will not be denied membership purely for personal reasons.

I promise to abide by the bylaws, Constitution and Standing Rules of Tulsa Anime Organization.
